Raymond Pata Sells His Soul for Fame in “The Devil’s Concubine”

Experience the dark journey of Raymond Pata, a handsome and charming immigrant from Haiti who is determined to be successful, in the novel, *The Devil’s Concubine*. Innocent people are being brutally sacrificed to the “gods” in Pata’s desperate attempt to achieve fame, and he could not care less.

Raymond dreams of life as a famous musician, moving to California to get a taste of the rock star lifestyle. Raised by a mother who often used dark magic to defeat her enemies, Raymond enlists the help of a witch doctor to teach him the evil rituals necessary to ensure luck is on his side. Soon, Raymond is transformed into a sadistic serial killer who targets young, beautiful women.

Everything is going perfectly until a gorgeous stranger shows up and begins turning Raymond’s world inside out. He begins to realize the path to darkness is a one-way trip, and his luck is about to run out. *The Devil’s Concubine* shows the dangers of making deals with supernatural forces and begs the question: How far would you go for fame?

Sebati Edward Mafate was born in Zambia and raised in Botswana and South Africa. Aside from his writings, Sebati is also an independent filmmaker. His first feature film, 'Black Cobra' (which was based on his second novel, 'When the Cobra Strikes') was released by a major Hollywood distributor, Lionsgate Films. He continues to write and pursue a successful career in film-making in Southern California, where he resides with his wife, Vivian Lorena, and their four children. "The Devil's Concubine" is his third novel to date.

The Devil’s Concubine is available in softcover (ISBN 978-1-62137-892-1) and eBook (ISBN 978-1-62137-893-8) from Virtualbookworm.com, Amazon.com, and Barnesandnoble.com.
